Old Business

STEEDA Event

Currently being planned for June 14 and 15. STEEDA would pay for the site rental. Robert Lewis and Tom Austin will discuss the logistics for the dual event at the SGMP site. More details will be provided at the next meeting. There was discussion on what to charge for the use of the Dixie Region equipment and labor for the two-day event. An estimated charge could be between \$1500 and \$2000.

X-Ware

Motion was made to wait on x-ware but continue to use MyAutoEvents for registration of next events. Approved.

Tracy Lewis is the chief of registration and Stephanie Lollar will continue with compiling event results.

PRO Class run group was discussed and decided to table for further discussion next month. A question should be posed to Heyward to survey the Atlanta region for interest.

SEDIV is scheduled for July 26 and 27 at SGMP, but this date conflicts with the Area 3 meeting. Dixie will not be able to host the SEDIV event, but we may be able to have a regular autocross event.
